<input checked="" type="checkbox"/> Intern	

AGENCY VISION AND MISSION

Our vision is to give every person an opportunity to have a voice in identifying and addressing their needs; and to provide social connections, to fully develop their sense of self and community.
Our mission is to help strengthen families and support children, teens, and adults impacted by trauma and adversity.

POSITION SUMMARY

The Clinical Intern conducts trauma assessments and intakes, provides individual, group and family therapy, provides crisis counseling as needed, maintains client records, attends team treatment coordination meetings, and works as part of the agency's team of therapists who work with families affected by child sexual abuse. Clinical Interns will be provided training, including observation of therapy sessions, and case load will be determined by the number of hours per week of the internship.

QUALIFICATIONS

The Clinical Intern must be working on a master's degree in Counseling, Marriage and Family Therapy, Social Work or related field. Training will be provided and may include one or more of the following modalities: Trauma-Focused Cognitive Behavior Therapy, EMDR, IFS, somatic therapy, body-based treatments, mindfulness, play therapy, and/or CPP. The Clinical Intern must have an energy, enthusiasm and desire for working with children and also the ability to work well with non-offending parents and adult survivors.

DUTIES

- Collaborate with staff colleagues to provide trauma assessments and intake interviews with potential clients to assess the appropriateness of treatment
- Provide crisis counseling as needed
- Co-Facilitate therapy groups for children ages 5-18, non-offending parents/caregivers, siblings and other affected parties, and/or adult survivors
- Develop, implement and document treatment plans with clients
- Provide case management services and make appropriate referrals, as needed
- Keep appropriate records and maintain client files per program policy
- Participate in Oasis project, team and supervision meetings, internal treatment team coordination meetings and agency staff meetings
- Maintain a commitment to professional self-evaluation, self-care and personal improvement
- Individual clinical supervision required a minimum of once per week
